

Cmajor Commercial License Agreement

IMPORTANT NOTICE: PLEASE READ CAREFULLY BEFORE DOWNLOADING, INSTALLING OR USING THE CMAJOR LIBRARY:

This Cmajor end-user licence agreement (Agreement) is a legal agreement between you (Licensee or you) and Cmajor Software Ltd (Cmajor Software, Licensor, us or we) for the Cmajor library, which includes source code, tests and examples. For the purposes of this Agreement, the Cmajor library shall be described as "Code".

IMPORTANT NOTICE TO ALL USERS

THE USAGE OF CMAJOR IS GOVERNED BY THIS DOCUMENT OR THE GNU GENERAL PUBLIC LICENSE.

BY DOWNLOADING, INSTALLING OR USING THE CMAJOR LIBRARY, YOU AGREE TO THE TERMS OF THIS AGREEMENT, AND ALL INCORPORATED TERMS INCLUDING THE CMAJOR PRIVACY POLICY, AS APPLICABLE, WHICH WILL BIND YOU.

IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, WE WILL NOT LICENSE THE CMAJOR LIBRARY TO YOU AND YOU MUST DISCONTINUE USE OF IT.

If you are accepting the terms of this Agreement on behalf of a company or other legal entity, you represent and warrant that you have the authority to bind that company or other legal entity to the terms of this Agreement and, in such event, "you" and "Licensee" will refer to that company or other legal entity.

You affirm that you are at least 18 years of age. If you are not 18 years of age but you are at least the age of 13, you may use the Cmajor library only if your parent or guardian agrees to be bound by this Agreement. Parents and guardians of users under the age of 18 agree to the terms of this Agreement, and any reference to "you" shall include the parent or guardian.

You should print a copy of this Licence for future reference.

During the term of this Agreement, you expressly acknowledge and agree that if you are an Indie, or Pro user and exceed the Revenue Limit thresholds, then you may no longer use that tier of the Program, and you must either: (a) purchase a different Cmajor licence (if eligible); (b) or cease distributing your Applications; or (c) license your Applications under the GPLv3 License. We may monitor your compliance with and enforce these restrictions and requirements as described in clause 10.4 below.

1. Grant and scope of Licence

1.1. Each Cmajor licence includes New Features and Minor Updates for that specific Cmajor license, but does not include New Releases.

1.2. Each Cmajor licence may specify a maximum number of seats for users to utilize the Code, and if so, you agree that only one user may utilize the Code per seat offered in your specific Cmajor licence for the purposes of coding and development.

1.3. You may not use multiple license tiers (e.g. Indie and Pro) simultaneously.

1.4. You may sell or distribute Applications using the Code that incorporates your Licensee Content to end-users, provided that you adhere to the terms in this Agreement, including paying applicable Fees once you hit your Revenue Limit. You may not sell, sublicense, or otherwise distribute the Code or Software on their own.

1.5. Where you have licensed the Education tier, you may be requested to provide certain documentation before being approved, and Cmajor Software Ltd reserves the right in its sole discretion to decline authorization for an Education tier license.

1.6. If your company exceeds the Revenue Limit or other terms of the tier which you have purchased, then your licence becomes the GPLv3 License which is an open-source licence and requires, among other things, that you make your source code available and license modified files and larger derived works (including all linked code) under the same terms of the GPLv3. Please review the terms of the GPLv3 carefully.

1.7 You may not create Applications directed toward Children, unless you fully comply with the COPPA rules, including without limitation obtaining verifiable parental consent, as further described in clause 10 below. You are responsible for any liabilities arising out of a violation of COPPA.

1.8. Each particular type of license comes with certain features as agreed when purchasing, and these may include adding Cmajor branding to your Application.

1.9. If you subcontract development of an Application, you must have at least one Cmajor license of a suitable type (matching revenue/funding limits as per the table) in order to distribute Applications.

1.10. If a New Release of Cmajor is made, all future support will be for the New Release.

2. Restrictions

Except as expressly set out in this Agreement or as permitted by any local law, you undertake:

2.1. to comply with all applicable laws, including all technology control or export laws and regulations;

2.2. to supervise and control use of the Code and ensure that the Code is used by your employees and representatives in accordance with the terms of this Agreement;

2.3. not to use the Code in connection with any Licensee Content, Application or otherwise that infringes or misappropriates any third party right, including any intellectual property, property, privacy, contract or other proprietary right or for any other illegal or immoral purpose;

3. Fees and Minimum Commitments.

3.1. Where you have purchased a Cmajor subscription licence, you agree to pay the subscription Fee from the first day of purchase, and recurring every month on the same day, for the Minimum Commitment, where applicable.

3.2. The subscription Fee shall be the Fee as notified to you on the Website at the time you purchase the Cmajor subscription licence.

3.3. All payments of Fees are non-refundable.

3.4. All Fees payable under this Agreement are exclusive of VAT or any relevant local sales taxes, for which you shall be responsible.

3.5. Without limiting all available remedies, in the event Cmajor Software discovers that you have exceeded your Revenue Limit in breach of this Agreement, you shall be liable for the amount of Fees due if you had properly purchased a Cmajor licence, the amount of any audit, and internal administration costs in the amount of no less than \$1,000 USD.

4. Support

4.1. We shall have no obligation to provide support and maintenance services to you. You may participate in our online support forum in accordance with our forum policies. Further support and maintenance services may be offered at our sole discretion, and may be offered as a feature of the Cmajor licence you purchase.

4.2. You acknowledge and agree that we have no obligation under this Agreement to provide New Features, Minor Updates, or New Releases.

5. Intellectual Property Rights

5.1. You shall own all modifications you make to the Code, and all Intellectual Property Rights therein, that are created and incorporated in the Application, subject to our continuing ownership of the Code and all associated Intellectual Property Rights of the Code.

6. Disclaimer of Warranty

6.1. The Code is provided "as is" without warranty of any kind, including without limitation any warranties that the Code will be uninterrupted, error-free or otherwise free from infringement. All other conditions, warranties or other terms whether express or implied, or incorporated into this Agreement or any collateral contract, whether by statute, common law or otherwise, including without limitation warranty of merchantability or fitness for a particular purpose are hereby excluded to the fullest extent permitted by law, including the implied conditions, warranties or other terms as to satisfactory quality, fitness for purpose or the use of reasonable skill and care.

6.2. You acknowledge that the Code has not been developed to meet your individual requirements and that it is therefore your responsibility to ensure that the facilities and functions of the Code meet your requirements.

7. Limitation of Liability and Indemnification

7.1. Neither Cmajor Software nor its parent company, subsidiaries, employees, partners or contractors shall in any circumstances whatsoever be liable to you, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with this Agreement for any indirect, consequential or special loss or damage, including but not limited to, for:

7.5. This clause 7 shall survive and shall not be rendered ineffective by the termination or expiry of this Agreement for whatever reason.

8. Term and Termination

8.2. Where you have licensed a Cmajor Education licence, this Agreement shall renew automatically on a monthly basis and remain in effect until the licence is terminated or you no longer qualify for the Education licence tier.

8.3. Where you have purchased a subscription licence and you fail to pay the subscription Fee when it falls due then your licence will terminate. Where your licence is terminated before the end of the Minimum Commitment then you, in any event, are still responsible for paying the subscription Fee for the remaining term of the Minimum Commitment.

9. Communications Between Us

9.1. If you wish to contact us in writing, or if any condition in this Agreement requires you to give us notice in writing, you can send this to us by e-mail at info@cmajor.dev. We will confirm receipt of this by contacting you in writing, normally by e-mail.

9.2. If we have to contact you or give you notice in writing, we will do so by the email associated with your Cmajor licence or by pre-paid post to the address you provide to us in your order for the Program.

10. Data, Privacy and Publicity

10.2. You may not use the Code in connection with any Application that may be "directed to children" as defined under the Children's Online Privacy Protection Act ("COPPA") unless you fully comply with COPPA and all other similar applicable laws. You are fully liable for, and will defend, hold harmless and indemnify Cmajor Software and its affiliates against any and all liability arising from or relating to COPPA in connection with any Application directed to Children.

10.3. You agree that Cmajor Software may use your name and logo to publicize that you are using Cmajor in your Applications. You may opt-out of this publicity by emailing Cmajor Software at info@cmajor.dev and we will use best efforts to remove all uses of your name or logo within a commercially reasonable time.

10.4 To ensure compliance with this Agreement, you agree that within thirty (30) days from the date of our request, you shall provide all pertinent records and information requested in order to verify that your installation and use of any and all Programs is in compliance with this Agreement, along with a signed verification that all such information is complete and correct. You also agree we may audit applicable records concerning your use of Program during normal business hours upon notice to you, at our cost, except in the event the audit reveals an underpayment or breach of this Agreement, you shall be liable for the cost of the audit.

11. Other Important Terms

11.1. We may transfer our rights and obligations under this Agreement to another organisation, but this will not affect your rights or our obligations under this Agreement. 11.2. You may transfer your rights or your obligations under this Agreement to another person or entity provided that you are in full compliance with this Agreement and provided that you first contact Cmajor Software in writing and follow the required steps for transfer.

11.3. This Agreement and any document expressly referred to in it constitutes the entire agreement between you and us. You acknowledge that you have not relied on any statement, promise or representation made or given by or on behalf of us which is not set out in this Agreement or any document expressly referred to in it.

11.4. If we fail to insist that you perform any of your obligations under this Agreement, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.

11.5. Each of the conditions of this Agreement operates separately. If any court or competent authority decides that any of them are unlawful or unenforceable, the remaining conditions will remain in full force

and effect.
